

2019 ALL-STATE CHOIR CAMP

Packing Information

1. Located across the street from the MUSIC BUILDING is BRUCE HALL, the designated dormitory for the All-State Choir Campers. With girls assigned to one floor and boys assigned to a different floor, dorm rooms are double occupancy with gender specific community bathrooms on the hall.
2. All meals will be served in the BRUCE HALL cafeteria and supervised by assigned staff members. Food Service has assured us that all meals will be sufficiently varied and plentiful. Parents and students, seeking considerations for special diets, should contact Peter Balabuch, Cafeteria Operations Director (940-565-2962).
3. Boarders need to bring a sleeping bag or twin-sized bed linens, pillow, towel, alarm clock, and personal toiletries.
4. Plan to wear casual summer camp clothes. Shorts are permitted.
5. To participate, every camper must have his or her own All-State music packet for rehearsals. You have three options: (1) pre-order your music packet through our online registration form, in which case the music packet will be waiting for you upon your arrival; (2) purchase your music packet at the time of registration; or (3) purchase a music packet from another source such as a different choir camp, Pender's Music, or J.W. Peppers Music. If you purchase the music from a different source, it is very important that you remember to bring it to the camp. Most campers order a music packet when they register online. Keep in mind that we will have a limited number of packets available on the day of registration. **You must have cash or check if you wish to purchase a music packet the day of registration.**
6. For campers interested in sharing your talents and performing in UNT All-State Choir Camp Talent Show, sign-up will be at Sunday's registration. Don't forget to pack the items you need for your act—CD soundtracks, props, costumes, etc. The Talent Show always features an amazing array of talent.
7. Campers will go to our Campus Recreation facility on Monday night. There will be opportunities for basketball, volleyball, badminton, dodgeball, sand volleyball, a climbing wall, movies, and a pool. Bring a bathing suit and be ready for a night of fun!
8. You may want to consider bringing some extra pocket money. Vending machines are available, and a trip to the UNT campus store will be included.
9. The dress code for the dance is nonspecific. The clothes students wear to the rehearsals are the same clothes students wear to the dance (going to your dorm during the day is not permitted). Spending extra time and money on special clothes for the dance is unnecessary and not encouraged.
10. Please remember to bring all necessary medications to camp. Students are expected to administer their own medication unless otherwise specified by a guardian.
11. The Camp Concert attire is your camp t-shirt (to be distributed during camp week) and appropriate shorts / pants and shoes. This is not a formal concert.
